North Hawaii Hospice Celebrates National Hospice Month

This November, North Hawaii Hospice remembers the patients and families we have been honored to serve. Our board, staff, and volunteers celebrate the caregivers who have been at the heart of our team, providing compassionate end-of-life care to their loved ones. This year, we supported 81 people and their families.

North Hawaii
HOSPICE

We have asked a few members of our hospice ohana to share their memories with North Hawaii.

If you are caring for a loved-one that is elderly or seriously ill please call hospice as soon as you finish reading this. It is never too early to find out what we do and how we can help.

If your family has been served by North Hawaii Hospice, and you would like to find out ways to honor your loved one throughout the year, please let us know.

For more information call North Hawaii Hospice (808) 885-7547, or visit our website at www.NorthHawaiiHospice.org
